

events

```
graph LR; events[events] --> func[nsEvent::EventManager::hasEvent];
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is white with a black border and contains the text 'events'. The right box is gray with a black border and contains the text 'nsEvent::EventManager::hasEvent'. A dark blue arrow points from the right side of the left box to the left side of the right box.

nsEvent::EventManager
::hasEvent
